

The Global WASH Cluster (GWC) maintains continuous contact and provides support to national WASH coordination platforms in 48 countries through the Cluster Advocacy and Support Team (CAST) as well as the Field Support Team (FST).

For the period 1st January – 31th December 2016, the FST alone has provided specific support to 28 countries in a combination of remote and direct in-country support.

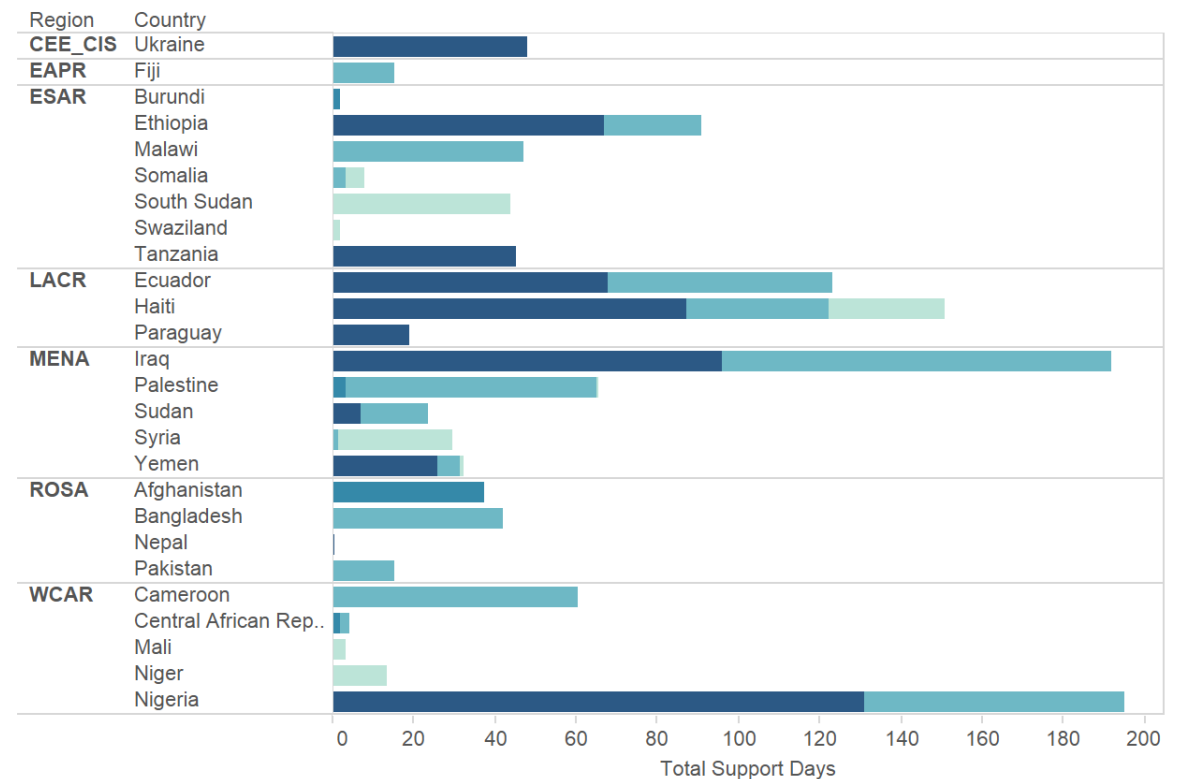

The FST core team currently consists of 11 core members (4 IMOs, 4 WCCs, 2 Preparedness & Continuity Officers, 1 Assessment Specialist). The FST further deployed 5 additional WCCs and 1 IMO to meet the high demand for in-country support.

1196 total deployment days have taken place since 1st January 2016.
